Dear Abilio,

As I will be attending a signal processing conference in Barcelona later this month, I would like to take the opportunity to visit Lisbon for 2 days before returning to Australia.

My conference will end on Friday 21 September and I am planning to take a bus to Lisbon on Saturday 22nd. If it is possible, I would like to meet with you, other Fretilin friends and supporters on Sunday 23rd. I am also hoping, with the help of Ambassador Gomes, to be able to talk to some officials on Monday 24th.

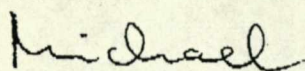

Unfortunately, my time is severely limited and I will have to leave Lisbon for Amsterdam at 19.00 on Monday evening.

I would like to convey to you all personally the greetings of your Australian friends and to inform you on the progress we have made with the establishment of the East Timor Foundation.

Could you please let me know as soon as possible if my visit at that time would be convenient for you.

Thank you.

Yours sincerely

Michael Wagner
